Tenders in the form hereunto appended are hereby invited for the exclusive privilege of the manufacture of Arrack for the territories of Mysore, inclusive of the Civil and Military Station of Bangalore, for a period of five years from **1st July 1897 to 30th June 1902.**

2. The contract for the Civil and Military Station of Bangalore is included in this Notification with the permission of the Resident in Mysore.

3. The privilege for which tenders are now invited will be conceded subject to the conditions specified in para 8 of this Notification, and to the Excise Laws and Rules passed by Government from time to time. It will not include the manufacture or sale of Toddy, or of "Foreign Spirits and Foreign Fermented Liquors," or of Country Beer.

4. The quantity of Arrack required is estimated to be between 46,000 and 48,000 gallons a month, the quantity actually issued from the Bangalore Distillery in the year 1895-96 having been 551,935 gallons. No quantity is however guaranteed to the manufacturer, who is bound by actual requirements, be the same more or less than the estimated quantity.

5. Tenderers must specify the lowest rate per gallon at which they will supply all the Arrack required, of the strength of 20° under-proof, during the whole period of the contract. The rate or price thus tendered for and accepted by Government shall be the price at which Arrack of 20° under-proof will be sold by the manufacturer to retail shop-keepers and to renters of the right of retail vend, during the currency of the contract granted under this Notification. For double-distilled spirits and other special liquors of greater or lesser strength than 20° under-proof, which may be specially manufactured and issued with the approval of the Government, the manufacturer will be allowed to fix his own prices; but for single-distilled spirits of greater or lesser strength than 20° under-proof, the price chargeable by him will be according to such strength proportionately on the rate fixed for Arrack 20° under-proof in accordance with Casella's Rules.

6. Each tender must be accompanied by a deposit of **Rs. 5,000** in cash, or in Government securities, duly endorsed in favor of "The Dewan of Mysore," and enclosed in a cover superscribed with the words "Tender for the exclusive privilege of the manufacture of Arrack," and must be sent to the **Excise Commissioner at Bangalore** so as to reach him before noon on Tuesday the **2nd March 1897,** after which date no tender will be received. The tenders will be opened by the Excise Commissioner at his office in **Bangalore** at 12 o'clock noon on the **2nd March 1897,** in the presence of the applicants who may be present. The final disposal of the tenders will rest with the Government, who reserve to themselves full power to reject any or all of the tenders without assigning any reason. The deposits made by the applicants whose tenders are rejected will be returned to them on their application.

7. The applicant, whose tender may be finally accepted by the Government, shall, within eight days of the acceptance of his tender being communicated to him, deposit at the Huzur Treasury, Bangalore, a further sum in cash, or in Government securities, duly endorsed in favor of "The Dewan of Mysore," to make up with the deposit previously made, the sum of **one lakh of rupees**; and shall execute an agreement, in the prescribed form on proper stamp, binding himself to conform to the conditions hereinafter set forth, and if he fails or refuses to sign the agreement, or to make the deposit required, the deposit already made will be forfeited to Government, and the contract otherwise disposed of.

8. The contract for which tenders are now invited shall be subject to the following conditions, namely :—

I. The contractor will be required to manufacture within the enclosure of the Government Distillery near Bangalore, or at such other place as may be approved by the Government. For the use of the Distillery buildings near Bangalore, together with the existing system of water-supply thereto, the contractor shall pay rent to Government at Rs. 500 *per mensem*. Such improvement or addition to the said buildings or water supply as may be approved by the Government will be carried out at Government cost subject to the payment by the contractor of such additional rent or rate as may be fixed by Government.

II. The contractor will be required to have ordinarily a month's supply (46,000 gallons at the present rate of consumption) and *never less* than 23,000 gallons of admissible spirits in terms of 20° under-proof in store at the Distillery.

III. The contractor will be allowed to purchase spirit from any Sugar Factory which may be established in Mysore, and which may be authorized by Government to distil Arrack. Should the contractor himself establish a Sugar Factory and distil Arrack therein, with the permission of the Government, he will be bound to keep in stock such quantities of spirit at such factory as may be fixed by Government.

IV. In outlying tracts where, owing to small consumption or other causes, there is reason to suspect illicit distillation, Government will be at liberty to establish out-stills, giving the contractor the first refusal of so doing.

V. The contractor shall, upon receipt by him of price at the rate fixed by his contract, sell the spirit at the Government Distillery or other place where he may be allowed to manufacture. Such sales shall only be—

1*st.* For the supply of such Bonded Depôts as Government may, from time to time, establish and maintain ;

2*nd.* To separate shop-keepers licensed to sell in the Civil and Military Station of Bangalore, in the Cities of Bangalore and Mysore and in other places to which the Separate Shop System may be extended ;

3*rd.* To vend-renters to whom the Government may sell the right to vend Arrack in defined tracts ; and

4*th.* To the licensees for the wholesale and retail vend of "Foreign Spirits and Foreign Fermented Liquors" and for the sale of the same in Refreshment-rooms and in Hotels and Boarding-houses.

No spirit shall be allowed to be removed from the Government Distillery, or other authorized place of manufacture, or from a Bonded Depôt, unless the purchaser produces a Treasury receipt for the amount of duty paid therefor.

VI. The contractor shall be bound to conform to the provisions of Act XXII of 1881 (the Excise Act) as in force in the Civil and Military Station and as introduced into Mysore with certain modifications by Regulation III of 1885, as well as to the Rules framed thereunder by Government from time to time.

VII. The out-going contractor shall give, and the in-coming contractor shall take over, any Arrack or other Country Spirits not exceeding a month's supply, which may remain as stock in hand on the last day of the expiring contract, the latter paying the former for the same such value as may be fixed by the Excise Commissioner.

VIII. Should the in-coming contractor so require by at least one week's previous notice in writing, the out-going contractor shall cease preparing "Wash" during the last month of the expiring contract, and vacate the buildings so as to admit of the in-coming contractor commencing operations. Should no such notice be given, the out-going contractor may continue distilling till the end of his contract, after which further distillation must cease.

IX. Should the out-going contractor so desire, the in-coming contractor shall be bound to purchase all apparatus and stock and block belonging to the out-going contractor at the Government Central Distillery, Bangalore, at a fair and equitable price to be fixed by the Excise Commissioner, calculating the original cost and deducting therefrom depreciation for the period of user at such average rate as may be determined by Government, and of which timely notice will be given to the out-going contractor, and to intending bidders by a Notification to be duly published in that behalf.

X. Improvements of a permanent nature shall be retained and not be disturbed except with the approval of the Executive Engineer.

XI. In case of a breach of any of the above conditions, Government will be at liberty to cancel the contract and to declare the deposit of one lakh of rupees forfeited, and also to recover from the defaulting contractor such further loss as may be occasioned by such breach.
